"Create in me a pure heart..." Psalm 51:10

Monthly Focus

"Purity Challenge"

This month we will be challenging you guys with choosing a life of purity in all areas! We will be looking at how to stay pure in our heart, with our bodies, and respecting others and ourselves.

Our world is bombarded with inappropriate things that leave us tempted and curious. If we didn't have Christ and commit our lives to remaining pure, we would walk into temptations that would scar us and hurt our future life.

This Purity Challenge is to challenge each of you to consider making a promise to yourself, to God, to your family, and even your future spouse to remain PURE.

We pray God completely speaks to you through this topic and that you are forever changed!
